

ABOUT PAT FORTINI

Hello, my name is Pat Fortini, and I am running to serve as Councillor for Ward 4 in the Town of Caledon. I bring 12 years of experience serving residents at both the municipal and regional levels.

I was first elected to Brampton City Council in 2014 and served until 2026 as both a City Councillor and Regional Councillor, representing residents at the City of Brampton and the Region of Peel. Before entering municipal politics, I worked in the construction industry for 26 years and later established my own company. This experience taught me the importance of hard work, fiscal responsibility and delivering results.

My family and I have had longstanding ties to Caledon through property ownership for many years. Caledon is where I live with my wife, Nicky, and I am deeply committed to preserving the strong communities and neighbourhoods that make our town special.

Throughout my years in public service, I have participated in community events, volunteered, sponsored local initiatives and helped organize numerous fundraisers. I have supported youth sports, coached youth soccer, worked with Big Brothers Big Sisters of Peel and advocated for seniors' organizations.

I am currently supporting Renewed Hope in Caledon, where I helped initiate the Renewed Hope Food Fair, supported its food-distribution efforts and assisted with electrical work during the construction of its community building.

I understand the dedication and hard work required to serve residents effectively. I take a proactive approach to problem-solving and believe strongly in listening to residents, standing up for their concerns and treating every taxpayer dollar with respect.

I am committed to helping build an inclusive and prosperous Caledon that balances responsible growth with the protection of our green spaces, established neighbourhoods and unique community character. I look forward to building strong relationships and working together with residents and businesses across Ward 4.

I respectfully ask for your support on October 26, 2026.
